Local Members Chosen To Serve Southern States Cooperative

C. S. Rush, of Rt. 1, Appomattox and J. S. Caldwell, of Spout Spring, were elected to the local Southern States Advisory Board at the annual membership meeting held in the auditorium of Appomattox High School on August 15. Over 125 stockholder-members and their families attended the session.

Mr. C. S. Rush was named chairman of the Advisory Board while J. S. Caldwell was picked as secretary.

Elected to the local Southern States Farm Home Advisory Committee were: Mrs. A. R. Allision, of Rt. 2, Appomattox, and Mrs. Aubrey Drinkard of Rt. 4, Appomattox.

Mrs. Glenn Martin, of Rt. 1, Appmaotox, was chosen as chairman of the Farm Home Advisory Committee while Mrs. Harold Jones, of Spout Spring, was named secretary.

C. S. Rush was chosen as a delegate to represent the local membership at the Southern States Cooperative's 41st Annual Stockholders Meeting in Richmond, Va. on November 12 and 13. and Floyd Fleshman was named alternate.

One of the highlights of the meeting was the financial report of Southern States Cooperative — illustrated with color slides— give by James Liles, of Southern States a regional representative of the organization. According to the report, members of the organization in a five-state area put through their Cooperative about $114 million dollars worth of purchasing and marketing volume during the 1963-64 fiscal year with a net saving of 3,030,000 dollars.

Mr. W. T. Coleman, manager of Coleman's Feed Store, gave the report on local operations and services. A total of 383 patrons are served by the local cooperative.

Another highlight of the session included special recognition of all young farmers and homemakers. Ronald Millner, of Rt. 1, discussed "The Vital Role of Agriculture in Our Nation."

Miss Joan Lucado entertained the members of the Cooperative with a piano rendition.

Mr. Tom Davidson, Rt. 4, presided over the meeting.

Grinels Attend Auto Meeting

RICHMOND, VA. — About 150 Ford dealers from the Richmond sales district of Ford Division — among them 83 from the southern half of Virginia — and their wives will travel to New York City next week to meet with executives of Ford Motor Company and preview the entire line of 1965 Ford Division products.

H. D. Richardson, Richmond district sales manager for Ford Division and coordinator for the trip, said the group will spend three days in New York. In addition to previewing the vehicles at the New York Colliseum and learning of Ford Division's 1965 marketing plans, the dealers and their wives will be given a special tour of Ford's World's Fair Pavilion.

"In recent years, Ford has led the industry in developing new products that are designed to meet the demands of a sophisticated, changing market. Along with these new products—typified by the Mustang— it has provided its dealers with complete and comprehensive marketing programs," Mr. Richardson stated. "This New York meeting has been planned to provide our dealers with future merchandise plans sufficiently far in advance so they may prepare for public introduction of our 1965 line," he added.

The Virginia dealers and their wives attending the meeting include the J. S. Grinels, of Grinels Motor Co., Appomattox.

Also, Allen Gardner, Lynchburg; and Mrs. Walker Cawthorne, Crewe.

Bloodmobile Visit Monday

Open Secret "Under Wraps"

Over at the Surrender Grounds the Mariah Wright House, above, almost completely wrapped in plastic, appears to be an "open secret" as the protective transparent plastic covering reveals studding and wall supports — and then clear daylight behind. Reconstruction of this typical farm house, battle station for one of the last skirmishes at Old Appomattox Court House, is well under way, says Park Superintendent G. E. Steele, J. E. Sears and Co. of Appomattox is the contractor. The Old Jail is undergoing extensive work, also, and the old stage road, now blocked off from auto traffic through the village, has been covered with red Virginia clay and begins to look much as it did in 1865.

Need 90 Pints To Fill Quota

It's Red Cross Bloodmobile Day again in Appomattox County— Monday, August 24 from noon to 6 p.m. at Liberty Baptist Church. Dr. A. A. Fratrick, Bloodmobile Chairman, has issued an urgent appeal to all able donors to be on hand and give.

Nelson County Out

The new fiscal year for blood collections starts Monday, Dr. Fratrick said. There will be three Bloodmobile visits to our County, he said, and our quota is **90 pints** to be collected at each visit.

Dr. Fratrick read from a Red Cross bulletin which stated that a neighboring county, Nelson, has been dropped from the Red Cross Blood Program, because of its failure to collect 95 per cent of its assigned quota for the 1963-64 fiscal year. 'Consequently, this Center (Appalachian Red Cross Blood Center) will no longer be responsible for the blood needs of the residents of Nelson County,' said Dr. Fratrick. 'We don't want that to happen here.'

"We know it is no snap to collect blood any time, and that August is one of the toughest months of all. But people still get sick in August — have surgery — auto accidents, and babies.'

'If these people are to have blood they need someone to donate it for their use.'

'So I urge every able bodied citizen of our county to take a few minutes of his time to donate a pint of blood.'

Town Buys Building Lots For Firehouse; Town Office

Mayor S. R. Lawson announced Monday night that Appomattox has purchased two lots on the corner of Court Street and Linden Avenue for $1600 as part of a building program for a new fire house and possibly, a new Town office to replace the present office on North Church Street.

Firemen and Fire Committee members from the Council met last week to review preliminary plans prepared by J. E. Sears and Co. for a building which would house both the Town and the County vehicles and provide a third stall for washing and servicing. In addition, firemen are planning a meeting room.

The lots were purchased from S. L. Lawson.

Council members and Dr. Lawson discussed the need for an adequate office for the Town Manager as well as need for roomier facilities to hold monthly council meetings and transact other town business. The property committee, headed by Randolph Gilbert, was asked to meet with the Firemen's Committee and firemen to plan for the addition of a town office and meeting space to the proposed firemen's building.

Two New Lights

Council voted to install additional street lights, one at the corner of Ferguson and Court Streets; the other, at a location to be selected on Princess Ann Lane.

Mayor Lawson said that Town representatives would meet Thursday (today) with C. M. Clarke, resident engineer, Dept. of Highways, to inspect utility poles and other facilities relative to the proposed widening of Route 460 east from Church Street to the town limits.

Two sewage and water permits were granted: one to J. D. Ferguson for a home on Morton Lane; the other, for a trailer hook-up on Herman Carter's land, Appomattox, conditional upon the approval of surrounding property owners.

The Town Manager, Charles Hunter, said that $24,000 had been transferred from a savings account for sewage receipts to a checking account. He said that $11,000 had been spent thus far for the sewage lagoon. Mayor Lawson said that costs were running below original estimates for the two-acre lagoon project.

Harrell Street, running east from Church Street, has been selected for improvement this year, Mayor Lawson said.

Thirteen cases were tried and convicted in Town Court, Town Manager Hunter reported. Fines and court costs totaled $210.00 for July.

Wheat Sign-Up Begins Monday

Signup for 1965 voluntary wheat program is planned August 24 through October 2 in ASCS offices. This signup will apply only to predominantly winter wheat areas. Program signup for wheat growers in predominantly spring seeded areas probably will take place early next year at the same time as that for 1965 feed grain program. The 1965 feed grain program will operate under same legislative authority as in 1964 and therefore will be similar to 1965 program. The 1965 diversion requirements, payment rates, and loan levels will be determined and announced later.

The 1965 program for wheat entirely voluntary. As in 1964, there will be no marketing quotas or marketing quota penalties for 1965-crop Further, those overplanting their acreage allotment in 1965 will not lose wheat acreage history for future years.

Jamersons Buy Prospect Yard

Oscar Jamerson and Sons have purchased the Prospect Wood Yard, Prospect, Va., from Newton and Kaufman. They will appreciate the continued patronage of the many friends and customers from past years.

Centennial Colors At Times-VA

The newly renovated TIMES-VIRGINIAN news and business office has been painted with green. And the exterior of the building at street level since the previous "step down" area has been filled in with concrete. A private office for the editor-publisher plus tile flooring throughout are among the many improvements being completed.

Local Student And Instructor Attend "Youth Scholar" Event

EAST LANSING — Dwight M. Paulette, Jr., son of Mr. and Mrs. Dwight M. Paulette, of Appomatox, was among 1,000 "youth scholars" attending the 56th American Institute of Cooperation summer session at Michigan State University August 9-12. Representatives of 15 youth organizations participated in the event, one of the nation's largest agricultural business meetings.

Getting a glimpse of many parts of the nation's farm economy, youth delegates heard Keynoter Brice Ralstford of the University of Missouri say, "The simple facts are that agriculture, by one device or another, must stick together to determine its collective destiny." Delegates also heard about careers in agriculture, business and the Peace Corps.

During the busy week on the Michigan State campus, the "youth scholars" hears speakers from every corner of the U.S.A., took part in discussion groups and tours and made dozens of new friends across state and national borders.

DWIGHT M. PAULETTE

Mr. Dennis W. Torrence, instructor of vocational agriculture accompanied the group to the meeting and was in charge of the Virginia delegation of FFA members.

Fire Damage C-Price 'Shop'

A hot blaze Friday about 11 p.m. in the "shop" of Carver-Price School was put out in about a half hour by local volunteers. Policeman Henry A. White, on the scene before firemen arrived, said that the fire may have started under a band saw at one of the work tables, perhaps due to a short from electrical wiring. Fire was shooting to the ceiling by the time firemen arrived, White said, but because of their quick action, damage to the school was confined to the 'shop room' which adjoins the new classroom addition.
